Petition for Declaratory Ruling that the FCC	)	Docket No. 02-287
has Exclusive Regulatory Jurisdiction Over	)	File #: DA 05-1346
Interstate Telemarketing	)	
	)	

It has come to the attention of the National Multiple Sclerosis Society that its name appears on an official FCC Petition (referenced above) as a supporter of a coalition of telemarketing firms and non-profit corporations who use telemarketers to declare that states have no ability to regulate interstate telemarketing, only intrastate telemarketing. **The Society does not support the recommendations as put forth in the petition and requests that its name be withdrawn from the petition.**

David V. Price  
Vice President, Internal Operations  
National Multiple Sclerosis Society
